

The background of the entire page is a photograph of a modern wooden deck. The deck is constructed from light-colored, horizontally-placed wooden planks. A recessed lighting strip is installed along the edges of the deck, creating a warm, yellow glow. The lighting is visible in the corner of the deck and along the side of a set of wooden steps that lead down to a green lawn. In the bottom left corner, there are some purple flowers. The overall scene is set during dusk or dawn, with a soft, ambient light.
